

# Consent for Treatment

---

For Treatment with Maryann Barrett, RN, Energy Practitioner

You need to know that:

1. I am not a doctor
2. I do not practice medicine
3. I do not diagnose or treat for a specific illness
4. I do not prescribe or adjust medication
5. An energy session is not a substitute for medical treatment, but a complement to most types of therapy

Energy Therapy is a type of alternative and complementary medicine that works with the energy field around a person's body to balance, strengthen and stabilize. I act as a facilitator in your own personal transformation and support you in your healing process. Energy therapy is effective for a wide range of issues, both physically and emotionally, with results varying.

You may prefer to set up a regular schedule to work, but there is never any obligation to continue treatment. Since scheduling of an appointment involves the reservation of time set aside specifically for you, a minimum of 48 hours notice is required for rescheduling or cancelled appointments.

ENERGY THERAPY IS NOT A SUBSTITUTE FOR MEDICAL CARE. IF YO ARE EXPERIENCING ANY SPECIFIC MEDICAL PROBLEM AND HAVE NOT SEEN YOUR MEDICAL DOCTOR, I RECOMMEND YOU DO SO TODAY.
